Silent Auction Donation

The Haddonfield Educational

Trust, Inc. is a non-profit foundation dedicated to enhancing educational excellence of the Haddonfield Public Schools.

The Trust accomplishes this by supporting educational initiatives through supplemental fundraising. By working with individuals, community groups and corporations, HET ensures that the quality of education your children enjoy meets or exceeds that of the finest private schools in the country, and at a cost that's a fraction of private school tuition.

The 2014 Golf Tournament will support the Central School playground and the district's technology needs.

HET Board of Trustees
